INDEPENDENT AUDITOR'S REPORT

The Board of Directors
Glen Oaks Village Owners, Inc.
Glen Oaks, NY 11004

Dear Board Member:

We have audited the accompanying balance sheets of Glen Oaks Village Owners, Inc. as of December 31, 2006 and 2005, and the related statements of income, expenses and deficit and cash flows for the years then ended. These financial statements are the responsibility of the corporation's management. Our responsibility is to express an opinion on these financial statements based on our audits.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Glen Oaks Village Owners, Inc. as of December 31, 2006 and 2005, and the results of its operations and its cash flows for the years then ended in conformity with accounting principles generally accepted in the United States of America.

Our audits were made for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplemental information is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

March 16, 2007

Glen Oaks Village Owners, Inc. has not presented the supplementary information on future major repairs and replacements that the American Institute of Certified Public Accountants has determined is necessary to supplement, although not required to be part of, the basic financial statements.

Very truly yours,

Landau Arnold Laufer & Company LLP

Pursuant to the terms, covenants and conditions of the Contract and that certain Offering Plan (the "Plan") to convert the Property to Cooperative Ownership, dated October 24, 1980, as amended, the Company acquired (i) fee title to 134 separate buildings, (ii) all of Sponsor's right, title and interest in the leasehold estate ("Ground Lease") covering the buildings and the entire parcel of land on which the buildings are located, and (iii) fee title to the land.

Tenant-shareholders are subject to monthly assessments to provide funds for the corporation's operating expenses, future capital acquisitions, and major repairs and replacements. Tenant-shareholder receivables at the balance sheet date represent maintenance fees due from tenant-shareholders. Any excess assessments at year end are retained by the corporation for use in the succeeding year.

FOR THE YEARS ENDED DECEMBER 31, 2006 AND 2005

NOTE 2 - SIGNIFICANT ACCOUNTING POLICIES (Continued)

Section 277 of the Code provides that a membership organization that is operated to provide services to members is permitted to deduct expenses attributable to the furnishing of services to the members only to the extent of the income derived during such year from its members. Section 277 permits a membership organization to reduce income from non-membership sources only by expenses incurred in generating this income. Accordingly, income from non-membership sources such as interest, commercial rental, professional apartment rental, etc. in excess of expenses properly attributable thereto, may be subject to federal tax.

Income tax liability that may result from the above is not reflected in the attached financial statements. If the position of the Internal Revenue Service is sustained by the courts, such liability will be reflected in future financial statements. Provisions for state income taxes are appropriately reflected.

Depreciation

For financial reporting the Property and Equipment acquired from SB Investors, Ltd., are being carried at cost. Depreciation is recorded on the straight-line method over lives of five (5) years for equipment, thirty-five (35) years for building, fifteen (15) to thirty-five (35) years for building improvements and three (3) years for transportation equipment.

For tax purposes, the acquisition of the property is being reported as an exchange pursuant to Section 351 and all regulations thereunder of the Internal Revenue Code.

Cash & Cash Equivalents

For the purpose of cash flows, cash and cash equivalents consist of short-term, highly liquid debt instruments with maturities of twelve months or less at the date of purchase. Items classified as cash equivalents include money market funds and commercial paper.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets

and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 3 - PURCHASE OF APARTMENTS

GOV Corp.'s shares represented approximately 16.5% of the total shares of GOVO and were allocated to 435 units of which 414 were occupied/rent regulated units and 21 were unoccupied units. On or about February 9, 1994, GOV Corp. assigned to GOVO any and all of its rights with respect to these unsold shares, including any claims to any surplus upon the transfer or sale of the shares.

Under the provisions of FASB-105 the corporation is exposed to a regional concentration of credit risk if a significant portion of their tenant-shareholders did not pay their monthly maintenance charges. If a tenant-shareholder defaults in their obligation to the corporation, the corporation has substantial rights. Among these rights, the corporation may terminate the lease of the lessee; take possession of the apartment and at its option re-let so as to recover any deficiency for unpaid rent or other charges.
