# Emergency Chimney Repairs

# Emergency Chimney Repairs

33 Chimneys requiring various degrees of repair & reconstruction. The estimated cost is \$225,000. 13 will be done on an emergency basis in 2005 and the remainder over the next 2 years.

# Repaired and Capped Chimney

All chimney repairs include a thorough inspection and rebuild and pointing of damaged chimney. The top of the chimney is capped to protect it from water damage.
