2017 PARKING PERMIT APPLICATION
Parking permits are valid through January 31 of the year following this permit

Glen Oaks Village has many outdoor parking areas located behind our buildings.

- Vehicles that are parked in these areas require an annual parking permit that must be affixed to the vehicle's passenger side windshield.
- Parking Permits are assigned to the vehicle owner NOT the vehicle and since they are easily attached and removed, they may be used for any of your cars during the year.
- If a permit is lost or destroyed, you may apply for a replacement permit at no additional cost and the old permit will be cancelled.
- Residents are limited to 2 parking permits per family.
- Vehicles parked in these areas without the proper permit will be stickered and fined and subject to towing at owner's expense.
- Since Parking permits are inexpensive, they will not be pro-rated at time of purchase. Glen Oaks Village Owners, Inc. is not responsible for damage or theft of any vehicle parked on our property.

There is a waiting list for indoor garage spaces. Availability is on a first come first serve basis and names should be entered on the garage waiting list for your section. You may enter your name on up to 3 sections. You must inquire within the management office to do this.
